Lakeshore Chamber of Commerce to Host the RDA AND NICTD

Please join the Lakeshore Chamber on May 31st, as we host Sherri Ziller, President & CEO of the Regional Development Authority (RDA) and Michael Noland, President & CEO of the Northern Indiana Commuter Transportation District (NICTD) for a presentation on the exciting new projects currently underway with the Southshore Commuter Rail Line. Already we are seeing hundreds of millions of dollars invested in projects underway, in Hammond and Michigan City, that are directly related to the West Lake Corridor, and the Double Track Projects.

Additionally, we will hear about the seven Transit Development Districts (TDD's) established last year in Northwest Indiana, and their future impact on the entire region. These districts will enable the RDA to accelerate development, and support public infrastructure investment around the commuter rail stations in Northwest Indiana.

When: Wednesday, May 31, 2023

**Where: Dynasty Banquet Hall
4125 Calumet Avenue
Hammond, IN 46327**

**Time: 11:00 am – Registration
11:30 am – Networking/Lunch
12:00 pm - Presentation**
